August MC3 Presentation Background

The Microsoft Office training team presents a short webinar *most* Tuesdays at 11:15 central time. The webinar consists of a fifteen minute prepared presentation and about a twenty minute question and answer period. The questions are not restricted to the topic of the presentation, but usually cover a variety of Microsoft Office topics. The prepared presentations are recorded and available for viewing shortly after the webinar. The question and answer portions are NOT recorded.

The material shown at the August MC3 meeting was one of these webinars, namely the one on March 4 from earlier this year. The one scheduled for October 7 will cover the same material with the appropriate updates. You are required to register (name and email only) to see the presentations live, but not to view the records. Material regarding past and future presentations can be seen at the following web site.

2015 Elections

We are fast approaching the end of another successful MC3 year, which means that the election of officers' time is upon us. According to the club's By-Laws, the elections are to take place at the regularly scheduled club meeting in December. That means that all nominations for any of the positions on the ballot need to be in by the November meeting. Nominations will be closed for this term at the end of the November meeting. Your last chance to be one of the officers of the club will be at the November meeting when the current president will go through the list of positions and solicit nominations from the floor for the last time this year.

Below is the list of positions available on the Executive Committee. If you would like to take on any of the following positions, please let [Bob Wagner](#) know before the November meeting.

President
Vice President
Secretary
Treasurer
Editor
Data Base
Director 1, Director 2, Director 3, Director 4
Web Master

Bob Wagner
2015 Nominating Committee Chairman (again)
